I understand that by being a shareholder in Trillium Haven Farm I am supporting sustainable agriculture and strengthening the local food supply. I also know that I share in the risks inherent in farming. In the event of a crop failure, I may receive less. In the event of a bumper year, I may participate in the abundance.

Donations

We would like to be able to offer financial aid to families who might otherwise not be able to afford being involved in the farm. We will gladly accept donations toward that purpose. A donation does not have to be the amount of a full share, it can be as small as \$10. We are not a non-profit organization so your gift would not be tax deductible.
